

Play it Again: Hard Knock Life

Hard Knock Life

GEOFF

There's a corpse that's burned to a crisp

DEAVER

Why haven't you told us this?!?

CHASE

We're exhausted; we need rest.

You run us ragged with your quest

For a "hero's life".

RAVEENA

But there's folks a dyin' now

STEFAN

Told you that they weren't cut out

Can't make the needed sacrifice

Not everything's neat and nice

In a hero's life.

RACHEL

Don't you think, guys, that we should go for teamwork

I'll kick your ass if you don't get out of my face.

GABE

She's been this way since we sang a song together.

I told the truth and now she won't get off my case.

DEAVER

Look, I know that emotion's running high now

But we need to sit down a while and think.

If a singing dancing demon was among us

CHASE

Where's the place that he would go to get a drink?

ALL

OOOOOH

RAVEENA / DEEVER / STEFAN

Didn't even call!

GEOFF / CHASE

Can't we drop it all?

RACHEL

Such a load of shit.

GABE

Hey, you started it!

HARRISON

Ok people, get a grip,

Not the time for relationships.

Chase, you're right – where would he go?

I'd bet Cura's – Lorne's lyin' low.

Not the "hero" type.

RAVEENA [spoken]

So that's the plan then. We'll head to Cura's and see what we see. And if this fella's there, Harrison and I will take care of him.

ALL [not Raveena and Harrison]

So we get to tag along

Wait there and try not to yawn.

Nice to know we're needed here.

Guess we're s'posed to stand and cheer.

ALL

It's the hero's life for you.

Use a demon 'stead of us.

But I guess we'll have to trust.

It's the hero's life

It's the hero's life

It's The Hero's Life!
