

Play it Again: Sue Me Too

GABE

You ask for the truth,
I give you the truth,
And what do you do? Punch me square in the face!
And you act like your tough,
But it's all just a ruse,
That I can't understand why you do.

Like I said I'm in love, resigned,
And if you don't like it, fine,
I'll stop wasting my time.

RACHEL

I'm sorry, I'm sorry,
By Goddess, I'm sorry,
I love you.

I was really perplexed then,
Vexed then,
Hurt and upset then
And is your nose okay? Because I really knocked ...

GABE

So now you are "in love",
Until the next time I piss you off!

RACHEL

All right, already,
You've made your point clear now.
I should have had more faith in you,
It's true.

So sorry, sorry,
And I'm NEVER sorry.

I love you!

[kiss and fade]
