

# Play it Again: Sue Me

## **RACHEL**

You flirt with me here  
You flirt with me there  
But you'll flirt with anything under the sun

Then you go to Mabon  
And say you like my boots  
And I'm off to the races again

And I think I'm in love with you

## **GABE**

Rachel, Rachel!

## **RACHEL**

And I just don't know what to do!

## **GABE**

Rachel!

## **RACHEL**

I could honestly puke.

## **GABE**

Call the coven and  
Hex me,  
Hex me,  
Sometimes you vex me.  
I never knew.

Give a holler and  
Hate me,  
Hate me,  
If you need to hate me,

I ... uh ... well ... I ...

**RACHEL**

Can't tell me what you think  
Stalling for time is what you do!

**GABE**

I'm Jaded, Rachel, the pun is intended.  
I didn't expect this from you.  
It's true?

So charm me  
Charm me  
You've already disarmed me.  
I ... like ... you.

**RACHEL**

You sow your seeds here,  
You're sowing them there,  
You're hitting on every girl, all except me.  
And I'm sick of you keeping  
Me up in the air  
'Till it looks like you'll get something good.

But I think I'm in love with you

**GABE**

Rachel, Rachel!

**RACHEL**

And I just don't know what to do!

**GABE**

Rachel!

**RACHEL**

I could honestly puke.

**GABE**

Get a potion and  
Hex me,  
Hex me,  
You've already perplexed me.  
I ... care about you.

Give a holler and  
Hate me,  
Hate me,  
If you have to, hate me.  
I ...

**RACHEL**

When you wind up a vamp  
Don't come to me to spell you out!

**GABE**

You're asking for something, but I don't understand you.  
What is it you want me to do?  
For you?  
So spell me,  
Spell me,  
If you want something *tell* me.  
I love ...

**RACHEL**

You're at it again,  
Hitting Brandon for juice,  
I'm not gonna play second fiddle to that!  
Magic's good in its place  
But life's more than just spells  
And I know that I'm worth more than that.

But I think I'd be good for you

**GABE**

Rachel, Rachel!

**RACHEL**

And I think you're good for me, too.

**GABE**

Rachel!

**RACHEL**

I don't know what to do.

**GABE**

So charm me,

Or harm me,

Punch and disarm me,

But I love you!
